

# RoHS and REACH CERTIFICATE OF COMPLIANCE

**RoHS** Based on information obtained from our component suppliers, this document certifies that ALL SynQor products are “RoHS-5” compliant and do not exceed the designated levels of Cadmium, Hexavalent Chromium, Mercury, Polybrominated Biphenyls or Polybrominated Diphenyl Ethers legislated under the provisions of the European Parliament and Council Directive on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (2002/95/EC) and regulations promulgated thereunder, collectively, the “RoHS Regulations.” Lead is the only exception and is used in added solders and on some component lead finishes. Additionally, based on such information, SynQor products do not contain Deca Brominated Diphenyl Ether (Deca BDE) legislated under the provisions of the European Commission Decision of 13 October 2005 (2005/717/EC), and do not contain as intentional additives Perfluorooctylsulfonates (PFOS) legislated under the provisions of the European Parliament and Council Directive 2006/122/EC (30th amendment to EU Directive 76/769/EEC).

Fully RoHS Compliant (“RoHS-6”) versions of SynQor products (“RoHS Compliant” according to the RoHS Regulations and the April 2005 Draft Guidance Document of the RoHS Regulations) became available on January 1, 2006. All such products designated with a “-G” suffix are Fully RoHS compliant. Please refer to the product datasheet for product specific RoHS compliance status.

**REACH** Based on information obtained from our component suppliers, this document also certifies that NO SynQor products contain Substances of Very High Concern (SVHC) as listed by the European Chemicals Agency (ECHA) under the provisions of Regulation (EC) No. 1907/2006 of the European Parliament and of the council concerning the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) per the ECHA 20/06/2011 and previous updates.

The provisions of this certificate supersede and replace the provisions of all other certificates previously delivered relating to compliance with the RoHS Regulations.

Additional information about SynQor RoHS products may be found on SynQor’s website at <http://www.synqor.com/products-lead-free.html>. Questions regarding RoHS or REACH compliance may be directed to [RoHS@synqor.com](mailto:RoHS@synqor.com).
